Park Facilities

Homing Park is a member of the Premier Park Scheme and boasts an excellent award winning toilet, shower and facilities block - always ready for you when you come home from a day at the beach, a countryside hike or exploring wider Kent's towns and cities.

The park also benefits from a tennis court*, a five-a-side pitch, a playground and a clubhouse with swimming pool*.

The playground is safe and secure for little adventurers and the pool is generally open between May and September, although during some of that time only at weekends.

*charges apply

The pool is located right next to the clubhouse too - so you can enjoy a refreshing drink or a tasty snack at the same time as taking a dip!

Enjoy the holiday lifestyle with your own holiday home at Homing Park

What could be more relaxing than a break in the luxury of your own holiday home at Homing Park? In the country but also by the coast...

Breathe in the sea air with a morning stroll on the beach or enjoy a leisurely breakfast outside, with the paper in your lap - far away from the pressures of daily life on our award winning park.

6 great reasons why you should own a holiday home in Kent

1. Comfort

A holiday home is essentially a home away from home. Somewhere you can escape the daily routine, but still within the comfort of your own surroundings.

2. Confidence

Our holiday park offers a secure and friendly environment - perfect for all ages.

3. Location

Our park offers easy access to local points of interest and public transport links.

4. Peace of Mind

Our park is a member of the trade organisation; who provide support and advice to us, which means we can keep up to date with legislation for our trade.

5. Environment

Our park is based within a tranquil countryside setting, allowing you to relax and enjoy your getaway. Homing Park offers an on-site clubhouse which occasionally host events, the ideal place to gather and socialise.

6. Pet Friendly

Our park is pet friendly - what better place for you and your furry friend to explore Kent.

The purchase of a new holiday home typically includes*:

- Any extras of your choosing from the manufacturer (e.g central heating, integrated appliances, fabric colours)
- Delivery from the factory
- Siting and connection to services
- Gas installation with storage box
- Veranda steps
- The remainder of the year's pitch fees (when purchased after July)

In addition to the purchase price, you'll need to budget for furnishing your holiday home, including items like crockery, bedding and electrical appliances (e.g., TV, kettle, toaster). Pre-owned caravans (typically those already sited) often come with a TV aerial left by the previous owner, but for new caravans this will need to be factored into your budget. Also, remember to plan for insurance coverage.

*Please note that from time to time special offers may vary these inclusions.

Camping Pods - Camping Without the Compromises!

Do you still like the outdoorsy experience but are looking for something a little more weather-proof and secure? If so, our wooden camping pods may just be the pitch you're looking for!

Imagine all the joys of camping without the hassle. Our pods give you the outdoor adventure you crave, minus the less favorable parts of a weekend away.

While you'll still bring your camp beds, sleeping bags, and cooking gear (everything except the tent, really), you can say goodbye to:

- Listening to snoring from the neighboring tent.
- Worrying about the safety of your belongings (each pod has a lockable door).
- Unpacking a damp tent when you get home.

Our cozy pods are designed for comfort:

- The **Regular Pods** comfortably sleep up to 4 people (even more with young kids).
- The **Family Pod** has room for 6 classy campers.

Enjoy your camping getaway—simplified, secure, and stress-free.

To avoid disappointment, book your pod by phoning us on 01227 771777

All bookings must be for a minimum of 2 nights and 3 nights on Bank Holiday weekends (one of which must be Saturday).

Prices (see tariff on the back page) are per pod per night for pod occupants and one car. If you want to put up a gazebo it must be less than 3m by 3m, open on all sides, and you must pay the £5/night charge.

What's in the pods?

-  Half-glazed lockable doors for security and weather proofing.
-  A high level rear window for light and ventilation.
-  Two double plug sockets with USB charging points.
-  Internal dimmable spot-lights.
-  An external light on the veranda.

What's NOT in the pods?

-  There isn't a fridge or a cooker, so you'll still need to bring your own.
-  There are no beds or chairs (so remember the camp-bed or inflatable mattress and camp chairs!).
-  There is a freezer in reception for your ice packs (no food items though please).

Other useful info and tips!

- Please note there is no smoking or cooking allowed in the pods.
- BBQ's and camping stoves are allowed, but not inside the pods or on the wooden verandas and please keep them raised up off the grass too.
- A returnable £20 cash deposit is required for your key. Please have this ready on arrival.
- Pets are only permitted at the discretion of the manager and we regret no single-sex groups, or groups of under 21's are allowed.
- For your safety cycling, skateboarding, scooters etc are forbidden.
- We have a 10mph speed limit on the park.
- Commercial or sign-written vehicles are not allowed on the park. Sorry.
- For our disabled facilities in the shower block you will need to bring your RADAR key.
